VALUABLE PLANTATION FOR SALE!

ON THE SECOND THURSDAY IN DECEMBER, that being the 13th day of the month, I will sell to the highest bidder, upon the premises, that desirable

COTTON PLANTATION,

lately owned, and resided upon, by Miss Elizabeth Hinton, dec'd.

The tract is situated on Neuse River, six miles East of Raleigh, on the Tarboro' Road, adjoining the lands of David Hinton. It contains

ELEVEN HUNDRED AND NINETY-FIVE ACRES of land,—from THREE TO FOUR HUNDRED of which are cleared. About 100 acres are fine low grounds, not liable to over-flow. This is considered one of the best Cotton Plantations in the County, and the bottom land will always produce enough Corn to sustain it.

THE IMPROVEMENTS

consist of a handsome Dwelling House, containing seven rooms, located on a commanding site. There are three frame houses also on the premises, with two rooms each, and all necessary out-houses, cabins, barns, gin house, carriage house, &c.

As this land will be sold on the liberal credit of only one-third cash, the balance payable in one, two and three years, a rare opportunity is afforded to parties wishing to purchase a first-class farm.

Personal security will be required, and title will be with-held until the last payment is made.

NOTE.—This Land will be divided into three tracts, the House-tract 600 acres, another tract of 350 acres, and another of 245, plots of which may be seen at my office above Creech's Store.

INFALLIBLE YEAST POWDERS.

Scientific men, who thoroughly understand the subject, concur with great unanimity in saying that nothing exerts such a deleterious influence against health as bad bread. The remedy is at hand in SIMPSON'S INFALLIBLE YEAST POWDERS, the value of which is thus certified:

RALEIGH, Aug. 24, 1866.

I have tested the Yeast Powders you manufacture and can recommend them as vastly superior to any other ever used by me. In addition to the lightness and sweetness of the bread, the powders are economical, as one-third the lard usually required will answer in the making of either loaf bread or biscuit. For pastries and cakes they are excellent.

VIRGINIA A. ORR.

The price of these powders per package is 25 cts. or 75 cts. per pound. To be had at Wm. Simpson's Confectionary Store, Fayetteville Street, Raleigh, N. C.

RALEIGH, Aug. 23, 1866.

This is to certify that I have used Mr. Simpson's Yeast Powders and find them to be superior to any I have ever used. After trying them once no housekeeper will be satisfied without them.

MRS. S. D. HARRISON.

RALEIGH, Aug. 23, 1866.

I have tried Mr. Wm. Simpson's Yeast Powders and find them very good.

Having been appointed agent for the above Company, I respectfully call the attention of the citizens of this section of North Carolina, to the fact that this is a Southern Company with an authorized Capital of $500,000. Saturday Evening, Dec. 1, 1866.

Exchange of Raleigh and Gaston Railroad Stock for State Bonds.

We understand that dissatisfaction is expressed, on account of the exchange of Raleigh and Gaston Railroad Stock for State bonds, under the ordinance of the Convention. We have taken pains to investigate the transaction, and the following statement may be relied on.

We have never heard the action of the Public Treasurer impugned. It cannot be. He advertised according to the requirement of the ordinance, extensively in newspapers of North Carolina, South Carolina, Virginia, Washington, Baltimore, Philadelphia, New York and Boston. He fixed the day of opening bids as late as November 1st, in order that all might see the annual reports of the different Railroad Companies. He had no power to sell at private sale. In strict pursuance of the law, on November 1st he opened the bids in presence of the Governor and Comptroller, and he awarded the bids as prescribed by law. This action was approved by the Governor and Comptroller.

If the bids were not as large as they should have been, it was not the fault of the Treasurer or of the ordinance. The whole thing was publicly and fairly done.

Was the interest of the State sacrificed? Whether the policy of the law was good or not, we do not say, but the following list will show that the bids offered were as large as could have been expected, considering the magnitude of the operation. We give two lists one made by the National Bank, of this city, the other by the Banking House of John G. Williams & Co.

Sale of Raleigh and Gaston Railroad Stock by the National Bank of Raleigh:

May	11th 1866. per share	$45
June	18th " " "	$53
"	27th " " "	$53
"	30th " " "	$53
July	5th " " "	$53
Aug.	30th " " "	$58
Nov.	2nd " " "	$62½

John G. Williams & Co.'s statement of purchases for another party on commissions.

May	1866, per share	$45
Aug.	" " "	$58
Oct.	" " "	$64
"	" " "	$62½
"	" " "	$56
Nov.	" " "	$53

In observing the above tables, it must be remembered that State Bonds were sold as high during the Summer and Fall as 65 per cent. *ex coupons*. We are unable, therefore, to see that the State did not get the fair market price for the stock.

Perhaps there may have been one or more isolated cases of private sale of the stock at higher figures than is shown by the above table, but they were entirely exceptional.

The stock was bought by the Raleigh and Gaston Railroad Company for the purpose of preventing the control of the road going out of the State. There were only two bids by parties not living in North Carolina. One of these was from Richmond, the other from Petersburg, Va.

The ordinance providing for the sale of the stock was passed by the Convention by over a two-thirds vote. Whether the policy of the Convention was wise or not must be determined by the results.

Our Rail Roads.

There is evidently a strong concern felt among all our citizens who have hitherto taken an interest in the internal improvements of the State, to press the entire system to completion. We believe the completion of the system so far as it has progressed, is essential to the development, the growth and prosperity of the State. We are not, however, in favor of any step which would affect injuriously, the overstrained credit of the State, and we are glad to know, and pleased to be authorized to state, that no friend of any of the Rail Road projects, proposes to do this, as the several bills which have been brought before the Legislature, will show.

There are several essential things to be accomplished, which are pressing heavily upon us, in order to the prosperity and welfare of the State. These improvements are needed, first, to afford money circulation to the people in the sections where the improvements are to be made, secondly, to prevent a constant and injurious emigration of our people from the State, and thirdly, to develope the agricultural, manufacturing and mining interests of the State.

1. The pushing forward the N. C. Western (Extension) R. R. is of the very first importance.

2. The completion of the Wil. Char. & Rutherford R. R. to some eligible point this side the mountains on the N. C. Western (Extension) R. R. so as to avoid the expense of two roads across the mountains, is of equal value.

3. The extension of the Fayetteville Coal Fields R. R., from Fayetteville to Egypt to some point on and beyond the N. C. R. R. through our North-West counties, we regard as of great moment.

4. The early completion of the Chatham R. R. will meet an important demand.

5. The completion of the Cheraw & Coal Fields R. R. has a strong claim upon the Legislature, shortening the route to Charleston and opening markets and facilities for the development of the coal region.

6. The completion of the Tarboro and Williamston R. R.

All these Roads are important, some of them of greater necessity than others, but all of great value to the localities through which they run and to the State. For none of these, we learn, do their friends ask for any increase of the State debt. If so, we hope the Legislature will consider the claims of each, and show such liberality in contributing to their construction as lies within its power. We have not space to say more at present.

The Situation.

Speculation is brief as to what may be looked for from the President and the Congress. The very worst things for the South are predicted as the result of Congressional action. The press of the North, the extremists, among which now must be reckoned the New York *Herald* and *Times*, and the *Standard*, of this city, mount a high horse in their demands upon that body.—The *Herald and Times* and *Standard*, oblivious of the demands of the Constitution, of reason, or humanity, insist upon the South being forced to degrade herself. The two former contend that a three-fourths vote of the Northern States in favor of the Howard amendment, are sufficient to force upon the country that amendment.

In the meantime, it is gratifying to be assured that President Johnson remains firm to his position. Moreover, the condition of the finances of the country and the complication of our European difficulties, look to a probable conflict, which may restrain the wrath of our enemies. Whatever may betide us, let us do *right*—do what our sacred honor and justice require, leaving events to Him who controls all things.

On motion of Mr. Berry, the resolution and bill were referred to the Judiciary Committee.

A message was received from the House proposing to raise a Joint committee to consider the question of a *sine die* adjournment. Concurred in.

The resolution concerning per diem and mileage came up on its second reading, and passed. On motion of Mr. Wilson, the rules were suspended, and the bill was put on its third reading, when Mr. Robins moved to amend by substituting $4 in place of $6 for the *per diem*. Mr. Hall moved to amend the amendment by substituting $3 for $4, both of which were rejected. The question on the first adoption of the resolution as it came up, was then taken, and the resolution was adopted.

On motion, the Senate adjourned to Monday 11 o'clock.

[The Reporter erred on yesterday in stating that the proposition of the Senate was to go into the election of Comptroller instead of Counsellors of State.]

Mr. McClammy introduced a joint resolution proposing to raise a committee to take into consideration the subject of adjournment. Some objection being made to the resolution, Mr. McClammy stated that its object was not to hasten an adjournment to the detriment of the public interests. It was intended on the contrary, to facilitate the dispatch of business by checking the too frequent introduction of motions for *sine die* adjournment. No one was more opposed to hasty legislation than himself. The resolution was adopted.

Mr. Jones presented petitions from citizens of Pasquotank, adverse to the proposed extension of the corporate limits of the town of Elizabeth City. Referred.

The select committee, to consider all propositions to extend pecuniary relief to the people, (raised under the resolution of Mr. Moore, of Hertford, passed on yesterday,) is constituted as follows:

(Mr. Richardson opposed this reference.)

The House then adjourned until 11 o'clock A. M. on Monday next.

Test Oaths in Tennessee.

KNOXVILLE, Nov. 27.

In the Supreme Court of the State an important decision was made to day in the case of Thomas E. Champion against the State, in which the judges held that a circuit judge could not exclude attorneys from his court by prescribing political test oaths. General Champion was an officer of the Union army, and denied the right of the judge to force him to swear to support all acts of the present State Legislature.

STATE OF NORTH CAROLINA, $400 REWARD!

A PROCLAMATION

By His Excellency JONATHAN WORTH, Governor of North Carolina:

WHEREAS, it has been represented to me, that JAMES K. MORROW, late of the County of Cherokee, in said State, stands charged with the murder of Harlan A. Boone, of said County and State, and that the said Morrow is a fugitive from justice:

Now, therefore, in order that the said Morrow may be arrested and brought to trial, for said alleged murder, I, JONATHAN WORTH, Governor of said State, do issue this my Proclamation, offering the reward of FOUR HUNDRED DOLLARS for his apprehension and delivery to the Sheriff of Cherokee County.

THE SENTINEL.

Saturday Evening, Dec. 1, 1866.

LOCAL DEPARTMENT.

COMMISSION HOUSE.—We take pleasure in commending to the consideration of our readers, the House of *Messrs.* Williams, Black & Co., of New York, advertised to-day in our columns, as entirely reliable, prompt and enterprising. *Mr.* Williams, the head partner in the concern, is a native and until recently a citizen of Charlotte, N. C. Their references are sufficient.

WARRENTON FEMALE COLLEGE.—It will be seen that this College has been re-opened under the auspices of Rev. Mr. Solomon, of the Baptist Church, and *Major* Foote, both well known in the State, as fully competent and devoted to the cause of education. They will not fail in any thing to exert themselves to do their duty.

FINE TOBACCO LANDS.—Gentlemen disposed to invest in fine lands, or to engage in the culture of tobacco, are specially directed to the advertisement of Mr. Wigfall, in to-day's issue.

UNIVERSITY.—The Trustees of the University are notified in our columns to-day, by the Secretary, Gov. Manly, that their annual meeting will be held on the 10th of Dec. in the Executive office, in this city.

CRAB TREE PLANTATION.—Our columns offer great inducements in various parts of the State, for the rent, lease and purchase of fine lands.—It will be seen to-day that Mr. McIlhenny, administrator of the late Gov. E. B. Dudley, offers for rent a fine Crab Tree Plantation, on the 10th of December, before the Court House door in this city.

ADMINISTRATOR'S NOTICE.—The notice of Mr. A. N. McKimmon, administrator of the late James McKimmon, Esq., will be duly noticed by all concerned.

GOLDSBORO FEMALE COLLEGE.—This institution, under the charge of Rev. Mr. Frost, we are glad to learn, is rapidly resuming its former prosperity. It deserves, as it will receive, a full share of patronage.

A GOOD DINNER.—The good ladies do not intend that the Editor shall starve. Yesterday we were indebted to Mrs. Rosa Jeffreys, the energetic proprietress of the late Cooke's Hotel, for a capital dinner. Others may be concerned about voting for this one or the other, *we* vote for the ladies.

RICH IRON ORE.—Maj. W. F. Collins, of Warren, has just laid on our table a rich specimen of magnetic Iron ore, recently found on his plantation near Ridgeway. It is supposed to contain 85 per cent. of pure iron.

Rev. Dr. Craven, of Trinity College, is in the city and will preach at the Methodist Church to-morrow.

MEETING.—The Young Men's Christian Association meets on Monday night next, at the session room of the Presbyterian Church. Full attendance requested.

REV. JAS. D. COULSING, late President of the Murfreesboro' Female College, died in that place on Tuesday night last. He was a most excellent man. We observe that Rev. Paul Whitehead, of Virginia, has been elected his successor in charge of the College. A good selection we presume.

DR. DENNY.—The Galveston *News* states that Dr. W. R. Denny, late of North Carolina, died on the 15th inst., in San Jacinto, Texas, in the 43rd year of his age. He was connected with the first N. C. Regiment and participated in the battle of Big Bethel, under Gen. Hill.

HERTFORD.—The character of the article of our correspondent "Hertford," a few days ago, has excited some little inquiry as to the author. We state that the author is a private citizen of the county of Hertford, and has not occupied any public position, so far as we know.

For the Sentinel.

MESSRS. EDITORS:—In the Legislative proceedings of yesterday, I notice a resolution introduced by Gov. Clark, requesting the Committee on the Library to enquire if any books have been lost from the State Library, &c. The object of Gov. Clark is, as he has informed me, to ascertain what papers and records have been lost from the several offices. The State Library proper was the only office in the Capitol unoccupied by the military upon the advent of Gen. Sherman's army, and consequently, no books were lost therefrom. The Law and Legislative Libraries suffered to some extent, but not very materially. I have thought this explanation in reference to Gov. Clark's resolution, due to the Library. Very respectfully,

O. H. PERRY, Librarian.

Baltimore Rumors.

BALTIMORE, Nov. 28.—It is rumored that Hon. Reverdy Johnson will take a seat in the Cabinet, and that the Democrats will elect Governor Swann to the unexpired term of two years, reserving the full six years' term for a straight-out Eastern Shore Democrat.

Thad. Stevens and the Impeachment of the President.

BUFFALO, Nov. 27.—The Buffalo *Commercial Advertiser* says: We have private intelligence from Washington that Thaddeus Stevens has called a caucus of Republican members, to meet on Thursday, to bring about a concert of action for Impeaching the President.

The Richmond correspondent of the New York *Times* says that Governor Peirpoint will doubtless recommend the ratification of the proposed constitutional amendment.

THE INVENTOR OF THE REBEL RAMS.—The only person living who understands the construction of rebel torpedo rams is now in this city to offer all the information concerning them to our Government. These rams were the most terrible engines of war ever constructed.—*Forney's Press.*

FROM WASHINGTON.

[Special Correspondence of the Baltimore Gazette.]

WASHINGTON, Nov. 28, 1866.

No definite time has yet been fixed for transmitting copies of the President's message to the newspapers. It is not yet printed. As usual various speculations are afloat as to its recommendations; but, of course, they are altogether unreliable, if the general fact be excepted that the President will be consistent. He has assured many anxious enquirers that his sentiments and purposes have undergone no change, nor will his annual message indicate any compromise of his principles on the ground of expediency, or any other.

[From the Special Corrospondent of the Richmond Examiner.]

WASHINGTON, Nov. 28.

We are no longer in any doubt whatever as to the positon which the President will take in his message in regard to the question of reconstruction. He will simply adhere to his past policy, suggesting no compromise between Congress and the unreconstructed South. The immediate representation of the excluded States in Congress he will continue to insist upon as a preliminary to any constitutional amendment. The radical leaders, of whom many are now here, are appriscd of this fact, and are fierce in their denunciations of the President. They also represent that the Northern people of their party are much incensed against the South and the President on account of their obstinate refusal to accept the terms offered. The extreme Radicals rejoice at the future, and those who supported it in good faith, as a final settlement, are now ready to assume the ground of the extremists.

All the talk about conciliation and compromise, which has been so general of late, is fallacious. The President listened to the advice of Chief Justice Chase and others, who proposed a compromise on the basis of amnesty and suffrage, and has rejected it. Justice Chase himself now declares that the President will obstinately adhere to his past policy.

The Radicals say they will hold the President responsible for having thwarted their measures for reconstruction, and that now they will pursue a different course, without further reference either to the opinions of the President or the wishes of the South. There is no doubt that they will set aside the State governments of the excluded States, and substitute territorial governments, if they find they can command the requisite two-thirds majority of both Houses for this purpose. The prospect is that they can do this. If so, they will not trust the measure to the chances of delay, but carry it out at once. A foreign war, into which the President has the power to plunge the country, would so change the aspect of affairs, that the Radicals would have to conciliate the South, recognise the excluded States, and admit their representatives, without any conditions.

There is hardly a doubt that the dispatch sent by cable telegraph a few days ago to our minister in Paris demands peremtorily the immediate withdrawal of the French troops from Mexico. If Napoleon has really determined to play a false game and retain his power in Mexico, under any pretext, a war with France might be the inevitable consequence. It would be quite in the power of General Sheridan, or any other officer in command on the frontier, to take the initial step, as was the case when Gen. Taylor advanced to the Mexican frontier. Upon the first collision, which could easily be provoked, war would be declared to "exist," and Congress would be obliged to adapt their measures to this fact. The first measure would necessarily be pacification at home.

Meanwhile, also, the derangement and stagnation in commercial, and all industrial pursuits will powerfully operate upon Congress.—The Northern people will give up party rather than prosperity. Again, also, there is a prospect that the Radical party, in and out of Congress, will divide and quarrel upon commercial and financial issues, which will press upon them. Thus, their hands will be tied; and they will be disabled from striking their meditated blow at the South. KAPPA.

Project to Establish Aristocratic Rule Over the Whites of the South.

"The Chronicle announces itself in favor of the policy of having 'State governments South in the hands of the blacks and a small minority of the whites.' It, by indirection, attributes this odious idea to President Johnson. Nothing could be more false."—*Intelligencer.*

We are in favor of having the State governments everywhere in the hands of *loyal* men, and if they possess this pre-eminent qualification, we are not particular as to whether they are white or black.—*Chronicle.*

The above simply means to give all power to negroes and the handful of whites in the South who professed not to have supported the rebellion, or sympathized with it. This class we have heard characterized by Radical Generals that we could name, as not entitled to as much respect as those who fought the battles of the South. This handful of men wish to constitute themselves a privileged aristocracy in the South, with the negroes at their backs to do their bidding, and deprive the bulk of the whites of the right of suffrage, and all the other powers that white men generally exercise in this country. Enough of the loyal men of Maryland, who had this kind of privilege lodged in their hands by a new constitution, which was concocted and pushed through during the excitement of the war, have, with great honor to themselves, cast behind them this exclusive right and power to rule over the mass of their fellow white men, and by the election at Baltimore, have substantially overthrown usurped power in the State, which was as contemptible in numbers as in political repute or ability. That a like result will, sooner or later, come in Missouri and West Virginia is greatly to be hoped by those who hate and loathe the thought that free institutions shall be prostrated, and miserable oligarchies raised upon their ruins. Not ourselves seeing how citizens who profess to be gentlemen and men of heart and honor, should wish to tyrannize over their fellow-citizens, who are every way their equals, we are not surprised that a man of the general kindness of feeling of *Mr.* Horace Greely should be a protestant against the form of tyranny that is menaced to the Southern people. In respect to *Mr.* Greeley's views, we copy from the able correspondence hence to the Baltimore *Gazette*, as follows:

I learn to-day that Mr. Greeley, of the New York *Tribune*, has, of late, in an extensive correspondence, advised the "Union" citizens, so-called, of the border and Southern States, *greatly to moderate their demands upon Congress*, and to forego altogether their attempt to govern in their States respectively by a system of proscription and test-oaths. He reminds them (what universal history proves) of the utter impracticability of an insignificant minority governing an intelligent majority by mere fraud and force, for any considerable time, and instances the recent result of the elections in Maryland as confirmation "strong as proofs of Holy Writ" of his views.—*Nat. Intelligencer.*

Hon. Thaddeus Stevens intends presenting to the House, as soon as he can get a hearing, a new confiscation bill not so severe in its details as the one he presented last session.—*New York Tribune.*

NEW YORK, Nov. 30.

Intelligence from Toronto says that no decision has yet been rendered in the matter of the appeal of the Fenian council for a new trial, and it is thought that it will be refused.

A Quebec correspondent says fears are entertained of a raid from Vermont during the trial of the Fenians at Sweetsburg. Their object being the rescue of their prisoners. General Michael will be sworn in shortly, and act as administrator of the government during the absence of Lord Monk, who is going to England by the next Cunard steamer to assist in the confederation project.

WASHINGTON, Nov. 30.

St. Andrew's day was celebrated to-day with much spirit.

The President has appointed Thos. E. Hagan United States District Attorney for Nevada.

The Radical caucus proposed to be held to-night, has been postponed until next week. A warm opposition was made by some prominent Republican members to its being held until there was a fuller attendance. To hold it now, they contend, would enable the few members in the city to block out the work of the session, to suit their own peculiar views, as was done at the opening of the last session. The Republican temper is opposed to the attempt to impeach the President.

The President continues to enjoy good health and looks forward, hopefully, to the ultimate triumph of his patriotic and Constitutional plan by which peace and Union can only be safely and securely maintained.

Many Southern members elect are arriving and securing quarters for the winter.

Marquis Montholon, the French Minister, has information from his government that twenty vessels were under orders to transport the troops from Mexico; they sailed in two divisions.

Montholon doubts not that the French troops will leave Mexico by the middle of January, and express surprise at the American press, insisting that there is complication on national questions with France. He visited the State Department this morning and there met the Mexican Minister, whom he greeted cordially. Montholon leaves for France on the 20th of December. His successor will arrive on the 15th of December.

WASHINGTON, Nov. 30.

The United States steamer, Rhode Island, with Admiral Palmer, has sailed from Norfolk on a cruise to inspect the vessels of his squadron stationed in Southern waters. The Gulf squadron will shortly be consolidated with the North Atlantic squadron, making it one of the largest in the service.

A New and Grand Epoch in Medicine!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggil's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is announced that **Maggiel's Billious, Dyspeptic and Diarrhœa Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 11 Pine St., New York, and all Druggists, at 25 cts. per box.

The Louisville *Journal* says: "The testimonials which Dr. Gardner presents to the public could never have been obtained, except by the display of great skill and learning in his profession. One thing especially commendable in the Doctor's practice is, that he will not attempt an incurable disease for the sake of a fee, but frankly tells the patient whether he can be cured or not. We cheerfully recommend Dr. Gardner to the attention of all our friends who may be suffering from diseases of the eye or ear.

The Richmond *Times* says: We have no hesitation in saying that Dr. Gardner is the most scientific and successful eye and ear Surgeon in this country.

"Dr. Gardner's treatment of the eye and ear is wonderful."—*Richmond Enquirer.*

☞ Let all who have been given up by Doctor and spoken of as incurable, read the following.

☞ Let all who can believe facts and can have faith in evidence, read the following:

Know all men by these presents, That on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-Six, personally came Joseph Haydock to me, known as such, and being duly sworn, deposed as follows: That he is the sole general agent for the United States, and dependencies thereof, for preparations or medicines known as MAGGIEL'S PILLS and SALVE, and that the following certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMEITER,

L. S. Notary Public,

Wall Street, New York.

June 1, 1866.

DR. MAGGIEL:—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

JAMES MYERS,

116 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhœa, and have been cured by Dr. Maggiel's Pills.

WILSON HARVEY,

New York, April 7, 1865. 27 Pitt Street.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to me by him about eight weeks after the accident.

New York, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal; I tried Maggiel's Salve, and it cured me in a few weeks. This is all true, and any body can now see me at Jackson's Iron Works, 2nd Avenue.

J. HARDY,

119 Georick Street.

Extract from Various Letters:

"I had no appetite; Maggiel's Pills gave me a hearty one."

"Your Pills are marvelous."

"I send for another box, and keep them in the house."

"Dr. Maggiel has cured my headache that was chronic."

"I gave half of one of your pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Maggiel's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears and the noise left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your price is twenty-five cents, but the medicine to me is worth a dollar."

"Send me five boxes of your pills."

"Let me have three boxes of your Salve by return mail."

I have over 200 such Testimonals

As this, but want of space compels me to conclude

LINWOOD, AND RICH JERSEY LANDS, FOR SALE!

LOSSES of property and my sons, with a desire to close business and pay my debts, has induced me to convey, by Deed in Trust, all my property to Alfred Hargrave, of Lexington, North Carolina, which will be sold by him, and conveyances made, on Tuesday, the 11th. of December, 1866, at Linwood first, and Lexington next, from day to day until all is sold, consisting of the following property:

Linwood, Consisting of 1,642 Acres.

This celebrated tract will be divided into a number of ones, suiting large or smaller purchasers, including a valuable Flouring Mill, a comfortable roomy Cottage, Servant's Houses, Barns, Shops, with wells and springs of excellent water. The natural fertility of these land is unsurpassed even in the famed 'Jersey Settlement," in the heart of which they are located. They lie on both sides of the North Carolina Railroad, 7 miles from Lexington, and 11 from Salisbury, N. C. These lands are bounded by the Yadkin River, and run north and east covering Swearing Creek, and north and south Pott's Creek; have been ditched, drained and under-drained as much expense; have nearly five hundred acres of woodland, in heavy, original forest growth, equally distributed on different parts of the estate, and sufficient for farming purposes, not an acre but what is well situated for cultivation, or the raising of grass. There are now on them fine mowing and grazing lots and fields, with woodland pastures. In all these particulars constituting one of the most desirable and healthy estates in the South. It is enough to say for it, that it is the best and most valuable estate in the famed "Jersey Settlement," and has been under a state of improvement for forty years. Cotton, Wheat and Corn have been the staple products, but there are now large fields in a condition to produce the best, yield and quality of shipping Tobacco, drained and cleared of stumps and stones, easily to be broken and ridged into ground for tobacco hills.

Also, a tract of two hundred Acres of Woodland, in original forest growth, of Oak, Hickory and Yellow Pine, 2½ miles from Lexington, and 2½ miles from a Saw Mill on Abbott's Creek, and known as the Garner Place.

Also, 81 Acres—the TRENTHAM PLACE—constituting a part and adjoining the town of Lexington. Highly improved land.

Also, my interest in the Houses and Lots on which I live, in all nine acres, on which is a Fine Mansion House and improvements.

Also, the Celebrated Blooded Stallion, MEDLEY, drives well in harness. A match of superior blooded Carriage Horses, kind in harness. A superior Blooded Gelding, 4 years old. Two Blooded Brood Mares, one with a Colt. One Buggy Horse. Two first-class Mules, and two Jennies. Also a fine Blooded Filly, going on four years old.

Also, 87 head best bred North Devon Cattle, bred from the best imported Bulls and Premium Cows, of which there are about 40 Milch Cows, 5 fine Bulls, with young Bull Calves and Heifers, &c., and a fine yoke of North Devon Oxen.

Also, 88 head best bred South Down Sheep, including a superior lot of Rams, all of the best importations. A Stock of Hogs. The whole of the crop of Corn, Cotton, Oats, Hay, Fodder, Straw, Shucks, &c.

Also, 4 horse Wagons, 2 horse Wagons, Ox Wagons and Carts, and a number of iron Cart Axles. A Family Carriage, a Barouche, 2 Buggies and an Ambulance.

Also, a very large stock of the best Agricultural Implements, viz: 3 horse, 2 horse and 1 horse Plows, Harrows, iron and wooden framed Cultivators, Iron Clod-Crushers and Sectional Rollers, one Wheat Drill with Guano attachment, one superior Threshing Machine, Wheat Fans, two Reaping and one Mowing Machine, Farm Rollers, Spades, Shovels, Axes, Mattocks, Picks, Crow-Bars, Blacksmith and Wood shop Tools, with Bellows, &c., and Carpenter's Tools.

Also, 20 shares of stock in the North Carolina Railroad Company.

Also, all the Household and Kitchen Furniture, one new Hydraulic Ram with glass air-chamber, and a large lot of Lead and proof Iron Pipe, with every variety of property named in the Trust.

I invite all my friends to attend the sale, and supply themselves with material to begin and prosecute an improved system of husbandry, from the point I have left off.

W. R. HOLT.

At the time and place above named, the sale will take place, viz: Tuesday, the 11th of December, 1866, and continue from day to day until all is sold.

For the Lands, 6 and 12 months credit will be given, bond and approved security required, and title made when paid for. For the personal property, 6 months credit for sums over ten dollars, under ten dollars, cash. Interest discounted for cash over sums of ten dollars.

IN addition to the loss and prompt payment of Justus Kinseys policy for $5,000, is now added another loss, by the death of J. E. Weeks, of Elizabeth City, N. C. for $5,000, and again promptly settled by the Ætna.

By this practical illustration of the advantages of Life Insurance, it is commended to the confidence and support of every one desirous of providing for surviving loved ones.

As an investment merely, a Life Insurance Policy is as safe an investment of funds as can be made. The principal, generally, is not only many times in excess of the amount paid, but in a sound company it has no rival for security, and no species of Government bonds are a more desirable investment.
